#### RECOGNIZING TAMPA'S HEALTH CARE HERO, HEDDIE SUMPTER, IN HONOR OF BLACK HISTORY MONTH

### HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, April 12, 2021*

Ms. CASTOR of Florida. Madam Speaker, this Black History Month, I am celebrating Tampa's health care heroes. I rise today in immense gratitude of a life of service led by Heddie Sumpter, whose contributions of her time and talents are a living example of selfless service to others. Born in 1955 in Donalsonville, GA, and raised in Detroit, MI, where her family worked in the automotive industry, Heddie moved to Tampa, FL, in the 1970s to attend the University of South Florida. She was the first of her 13 siblings to attend college. She completed her associate's degree in management information systems.

After a short stint back in Detroit, Ms. Sumpter returned to Tampa with her daughter in the 1980s to stay with her grandmother during her remaining years of life. Sadly, her grandmother succumbed to lung cancer in 1989, but this moment opened a new chapter in Ms. Sumpter's life and for the next 30 years she would dedicate herself to educating our African American population about preventing cancer, available resources and reducing health disparities through her tireless volunteering with the American Cancer Society.

Ms. Sumpter's work through the American Cancer Society Cancer Action Network spans lobbying lawmakers in Tallahassee, FL as well as Washington, D.C.; fundraising; awareness about economic and cultural barriers to access to care and resources; and helping to ensure communities of color are included in the massive, decennial Cancer Prevention Study, which has had findings with global implications, such as establishing the link between cigarettes and the risk of lung cancer. Ms. Sumpter has been appointed to numerous committees of the American Cancer Society at the federal, state and local levels, and in 2019 she received the American Cancer Society Volunteer Leadership Award, presented to her in Dallas, TX, after a competitive nomination process. The expertise she has gained has led her to become an outspoken advocate of improved health in other areas. I will always be grateful to her for standing with me to champion the Affordable Care Act so that more Americans could have access to affordable health care, and not be discriminated against if they have a pre-existing condition. As a member of the Delta Sigma Theta Sorority, Inc., she serves as its national liaison to St. Jude Children's Research Hospital as well as March of Dimes, and has been instrumental in forging a national partnership between the Deltas and the American Cancer Society. In addition, she has served as chair for the Board of Directors for the Corporation to Develop Communities (CDC) of Tampa, Inc.

and chair of the Hillsborough County Community Action Board, both which aim to lift communities.

Ms. Sumpter now works at her alma mater, the University of South Florida, where she has also dedicated more than three decades, starting at the Office of the Registrar, then at the Colleges of Engineering and Business, and now at the College of The Arts as a human resources administrator. Ms. Sumpter is an outstanding reminder that hard work and service to others always lead to progress.

Madam Speaker, on behalf of a grateful Nation and the Tampa Bay community, I am proud to recognize the service and leadership of Heddie Sumpter, and her lifetime dedicated to the cause, which inspires us all.

#### IN HONOR OF THE HONORABLE JOHN DANIEL ALLEN

### HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, April 12, 2021*

Mr. BISHOP of Georgia. Madam Speaker, it is my honor and pleasure to extend my personal congratulations to a great friend and servant of humankind, John D. Allen, the former Chief Judge of the Chattahoochee Circuit of the Third Superior Court District of Georgia.

Judge Allen was recently inducted into the 2020 Georgia Military Veterans Hall of Fame on Saturday, April 3, 2021, in John's Creek, Georgia.

Judge Allen was born on January 17, 1943, in segregated Columbus, Georgia. It seemed like all the odds were against him of one day becoming a Superior Court Judge. Despite the lack of black role models in the law as he was growing up, Judge Allen kept education as his main priority. He graduated from Tuskegee University in 1966 with a Bachelor's degree in Mechanical Engineering. A distinguished cadet in the ROTC, Judge Allen was commissioned into the Air Force in 1966 as a 2nd Lieutenant Pilot. He completed Advanced Survival Training in 1967, and he was promoted to 1st Lieutenant/Tactical Fighter Pilot in 1968. Upon completion, he was assigned to Southeast Asia and flew 167 combat missions while stationed in Thailand. After promotions to Tactical Aircraft Commander, then to Captain, Judge Allen flew another 127 combat missions in Southeast Asia before returning to Tampa, Florida, and serving as an academic and flight instructor until his discharge in July of 1973. He left the Air Force as a highly decorated pilot, earning 23 Air Medals, 2 Air Force Commendation Medals, and numerous other awards for his service during the Vietnam War.

In 1975, Judge Allen earned a Juris Doctor from the University of Florida. He was admitted to the Georgia bar in 1976. From 1976 to 1987, he maintained a private law practice in the Columbus area. At that time, Judge Allen and I were two of only four black lawyers in Columbus.

Judge Allen continued to break barriers when he began serving as a Columbus Recorder's Court judge for a year before assuming a position on the State Court for Muscogee County in 1987. In 1993, he was appointed to the position of Chattahoochee

Judicial Circuit Superior Court Judge where he was re-elected repeatedly and served with the utmost honor and distinction until his retirement in 2013.

Judge Allen's diligent judicial service has also been mirrored by his extensive involvement with the local and state communities. In conjunction with his professional accomplishments in the Air Force and on the bench, Judge Allen has served on a number of boards and commissions, most notably as Chairman of the Judicial Qualifications Commission, and has received many awards and accolades for his service. Judge Allen's contributions to the Columbus area and the state of Georgia have even earned him recognition from the Columbus Ledger-Enquirer as one of "100 People to Remember for the Century."

None of Judge Allen's momentous accomplishments would have been possible without the enduring love and support of his late wife, Victoria; children John Jr., Geoffrey, and Kevin; and grandchildren John III and Carson.

A true Georgian devoted to serving his great state, Judge Allen embodies Georgia's state motto, "Wisdom, Justice and, Moderation." Judge Allen is a man of great integrity who sets a high standard of values that make for a strong foundation of character in himself and in others. On a personal note, I would like to thank Judge Allen for his friendship, advice, and counsel over the years. His wisdom and sage advice have contributed immensely to my success. For that, I will always be grateful.

Madam Speaker, I ask my colleagues to join me, my wife Vivian, and the more than 730,000 residents of Georgia's Second Congressional District in extending our sincerest congratulations to the Honorable John D. Allen for his induction into the 2020 Georgia Military Veterans Hall of Fame and for his many years of service.

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, April 12, 2021

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud students, Baylee Hughes and Dakota Hull, for earning the Best in Show Award for their creative and unique mobile application (app) as part of the 2021 Congressional App Challenge.

As first-time participants in the challenge, this team from the STEM Launch School built an app entitled "Chatroom" to create a safe portal for teens to talk with one and about a variety of issues.

The students of STEM Launch School spent countless hours and used numerous tools to learn about coding, developed new skills, and further advanced their STEM education. Their perseverance and dedication to this challenge exemplifies the character and determination the faculty instills in the students at the school.

I extend my deepest congratulations to these students for their hard work on this project. I am certain these students will exhibit the same dedication and character in their future accomplishments, and I wish them the best of luck going forward.

Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2032? <\$5 billion.

Mandate Effects:

Contains intergovernmental mandate? Yes, Over Threshold.

Contains private-sector mandate? Yes, Over Threshold.

The bill would Require the Secretary of Labor to issue an interim final standard and a final standard based on existing Occupational Safety and Health Administration (OSHA) guidelines to prevent workplace violence; Require certain employers in the health care and social service sectors and employers conducting related activities in those sectors to develop and implement plans to protect against and prevent workplace violence; Require hospitals and skilled nursing facilities to comply with the new standard as a condition of a Medicare provider agreement; Impose intergovernmental and private-sector mandates by requiring facilities to comply with the OSHA standard.

Estimated budgetary effects would mainly stem from Changes in Medicare payments to certain affected facilities to defray increased administrative and capital costs; Spending by OSHA to develop the standards, assuming appropriation of authorized amounts.

Areas of significant uncertainty include Predicting the requirements of the final standard; Estimating the extent to which covered entities already comply with the OSHA guidelines; Estimating the reduction in workplace violence associated with the new requirements.

#### BILL SUMMARY

H.R. 1195 would require the Secretary of Labor to issue an interim final standard and a subsequent final standard that would require certain employers in the health care and social service sectors and employers conducting related activities to develop and implement plans to prevent and protect against workplace violence. At a minimum, employers would need to base their plans on a report of the Occupational Safety and Health Administration (OSHA), Guidelines for Preventing Workplace Violence for Healthcare and Social Service Workers, and meet other requirements in the bill.

#### ESTIMATED FEDERAL COST

The estimated budgetary effect of H.R. 1195 is shown in Table 1. The costs of the legislation fall within budget functions 550 (health) and 570 (Medicare).
